Mystery Quilt Along 2020

Use a scant $\frac{1}{4}$ inch seam allowance

Fabric requirements listed are generous • Arrows indicate pressing direction
Cutting instructions are for all of the blocks needed for the month

February Block - Half Square Triangle

This month we are making the Half Square Triangle block. We will be making eight of them and they should measure $6\frac{1}{2}$ inches square.

It's another easy block, so even though you are making a lot of them, they aren't too hard.

Fabric Requirements

Fabric A  - 1 Fat Quarter * Fabric B  - 1 Fat Quarter

Cutting (For All Blocks)

Four squares of Fabric A - $7\frac{1}{4}$ inches by $7\frac{1}{4}$ inches

Four squares of Fabric B - $7\frac{1}{4}$ inches by $7\frac{1}{4}$ inches

Block Assembly

Draw a diagonal line on the back (wrong) side of the square of fabric A. This will be your sewing guide.

Line up fabric B on top of fabric A with front (right) sides facing each other.

Cutting instructions are for all of the blocks needed for the month

Using a scant $\frac{1}{4}$ inch seam allowance, sew along both sides of the drawn diagonal line.

Cut down the center, along the drawn line. You will end up with two blocks that need to be pressed open.

Trim the blocks down so they measure $6\frac{1}{2}$ inches by $6\frac{1}{2}$ inches.

Repeat until you have completed eight blocks.

See you next month!

Clue: Next month we will be making friends under a starry sky.
