

Create With Claudia Mystery Quilt Along 2020

Use a scant $\frac{1}{4}$ inch seam allowance

Fabric requirements listed are generous • Arrows indicate pressing direction
Cutting instructions are for all of the blocks needed for the month

August Block - Pinwheel

This month brings us the fun and simple Pinwheel block and we will be making two of them.

Fabric Requirements

Fabric A  - Fat Eighth Fabric B  - Fat Eighth

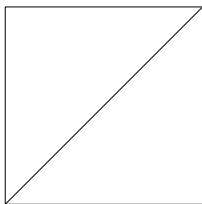

Cutting (For both blocks)

Fabric A – Four $4\frac{1}{4}$ inch by $4\frac{1}{4}$ inch squares

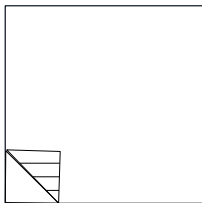

Fabric B – Four $4\frac{1}{4}$ inch by $4\frac{1}{4}$ inch squares

Block Assembly

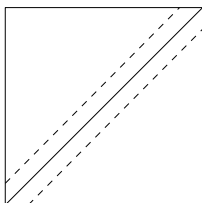

For each block, you will need four half square triangles.

Draw a diagonal line on the back (wrong) side of the square of fabric A. This will be your sewing guide.

Line up fabric B on top of fabric A with front (right) sides facing each other.

Using a scant $\frac{1}{4}$ inch seam allowance, sew along both sides of the diagonal line drawn earlier.

Use a scant $\frac{1}{4}$ inch seam allowance

Fabric requirements listed are generous • Arrows indicate pressing direction
Cutting instructions are for all of the blocks needed for the month

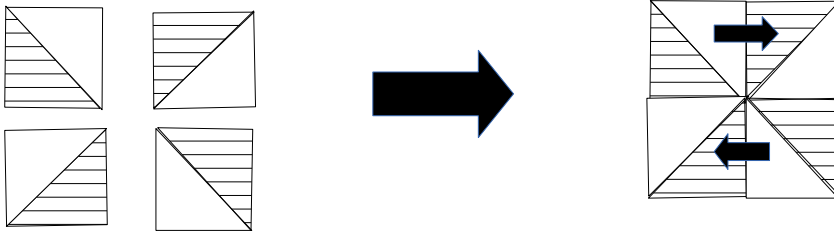

Cut down the center, along the line that was drawn earlier. You will have two blocks that now need to be pressed open.

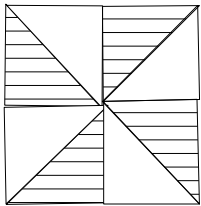

Trim the blocks down so they measure $3\frac{1}{2}$ inches by $3\frac{1}{2}$ inches.

Sew the Block Together

Press as arrows indicate.

Sew rows together. The finished block will look like this. Repeat the steps to make a second Pinwheel block. The blocks should measure $6\frac{1}{2}$ inches by $6\frac{1}{2}$ inches.

See you next month!

September Clue: In old days, people didn't have to run fast to make butter.
