

Create With Claudia Mystery Quilt Along 2020

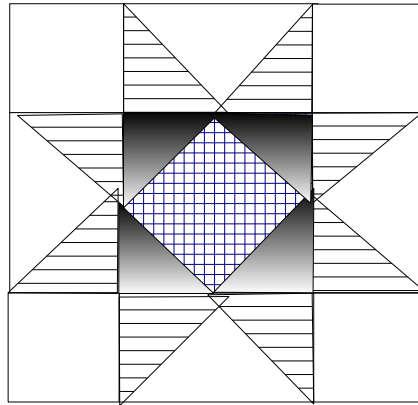

Use a scant ¼ inch seam allowance

Fabric requirements listed are generous • Arrows indicate pressing direction

Cutting instructions are for all of the blocks needed for the month

November Block

This is the last block we will be doing before we assemble the quilt top and we only need to sew one of them.

Fabric Requirements

Fabric A  - Fat Eighth * Fabric B  - 9" Square
Fabric C  - 8" Square * Fabric D  - 6 ½ inch x 6 ½ inch Square

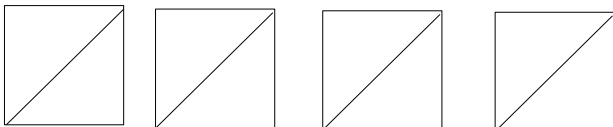

Cutting

Fabric A - Four 3 ½ inch by 3 ½ inch squares * One 7 ¼ inch by 7 ¼ inch square
Fabric B - Four 4 ¼ inch by 4 ¼ inch squares
Fabric C - Four 3 ½ inch by 3 ½ inch squares
Fabric D - One 6 ½ inch square

Block Assembly

Assemble the Geese. You will need the 7 ¼ inch squares and the 4 ¼ inch squares.

First – Draw a diagonal line on the back(wrong) side of the smaller squares.

Use a scant $\frac{1}{4}$ inch seam allowance

Fabric requirements listed are generous • Arrows indicate pressing direction

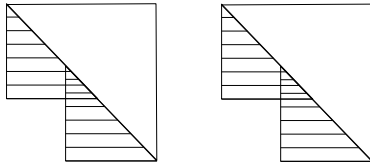

Cutting instructions are for all of the blocks needed for the month

Next – Line up one of the small squares on top of the large square with right (front) sides facing. Line up another small square on the opposite corner.

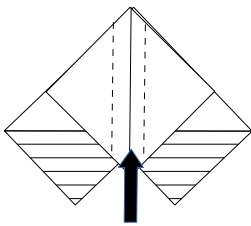

Using a scant $\frac{1}{4}$ inch seam allowance, sew down each side of the line drawn.

Cut along the drawn line and press open, so that you have two units like this.

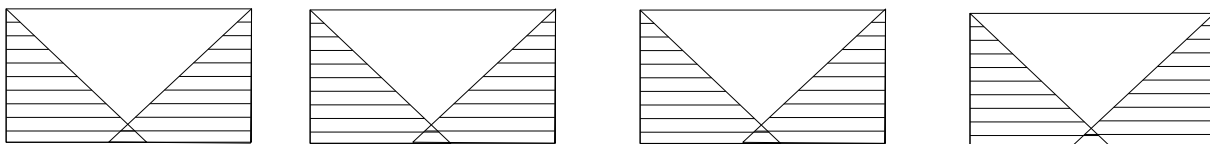

Using one of these units, take another one of the small squares and line it up on the remaining corner (right sides facing).

Using a scant $\frac{1}{4}$ inch seam, sew along both sides of the drawn line.

Cut along drawn line, press open. You will have two flying geese units. They will not be exactly the size needed, and need to be trimmed down to the size needed: $3\frac{1}{2}$ inches by $6\frac{1}{2}$ inches. Repeat with remaining units.

You will end up with four flying geese units.

Assembling the Center

You will need the $6\frac{1}{2}$ inch square of fabric D and the four $3\frac{1}{2}$ inch squares of fabric C.

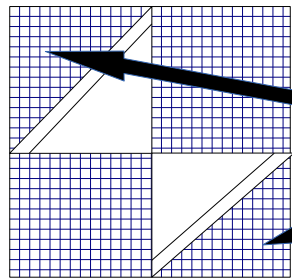

Draw a diagonal line down on the back side of the four smaller squares

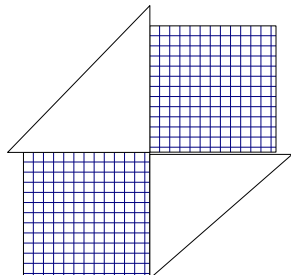

Take two of the smaller squares and lay them on top of the large square on opposite corners with right sides of fabric facing.

Sew just along the outside of the drawn line (closer to the corner). That way when you fold back the corner it will be large enough.

Trim off the part of the square that is closest to the corner, leaving about $\frac{1}{4}$ inch from the sewn line.

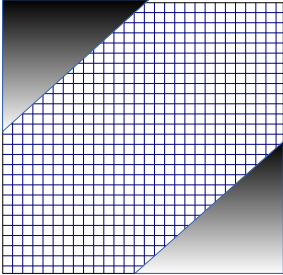

It will look like this.

Press open. Then repeat with the other two corners.

To reduce bulk, trim off of the remaining corners of the large back square.

Press open and trim block to $6\frac{1}{2}$ inches by $6\frac{1}{2}$ inches.

First, sew together the units in row 1. Repeat with rows 2 and 3. Press as indicated.

Row 1

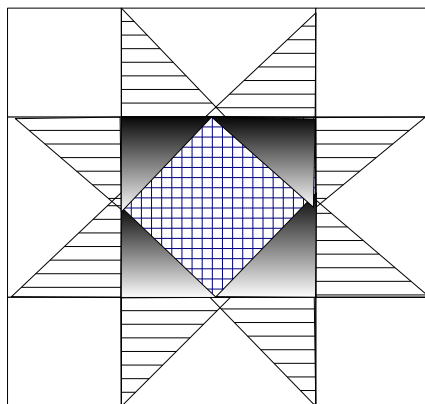

Row 2

Row 3

Finally, sew the three rows together to get the final block. It should measure 12 ½ inches by 12 ½ inches.

See you next month to put it all together!!!

Clue: No clue for next month! We are in the home stretch and will be assembling the top.
