This is such an easy pattern you can make a set of four in an afternoon. To finish up your placemat:

1. Lay your backing fabric on a long surface, with wrong side facing up.
2. Next, lay your batting on top of the backing.
3. Lastly, lay the placemat on top with the right side facing up.
4. Baste the layers together using your preferred method.
5. Quilt as desired.
6. Bind using your preferred method.

Enjoy your new placemats!
