Use a $\frac{1}{4}$ inch seam allowance

Fabric requirements listed are generous • Arrows indicate pressing direction

Cutting instructions are for all of the blocks needed for the month

July: Sawtooth Star in a Star

Please read all instructions carefully before beginning. We are making one block this month.

Fabric Needed:

Background Fabric: $\frac{1}{3}$ yard, Fabric A: Fat quarter, Fabric B: Fat eighth, Fabric C: Fat eighth, Fabric D: 5" square

Cutting Instructions:

Background Fabric:

- 4 squares cut 5 inches by 5 inches
- 4 squares cut $5\frac{3}{4}$ inches by $5\frac{3}{4}$ inches

Fabric A:

- 4 squares cut $5\frac{3}{4}$ inches by $5\frac{3}{4}$ inches

Fabric B:

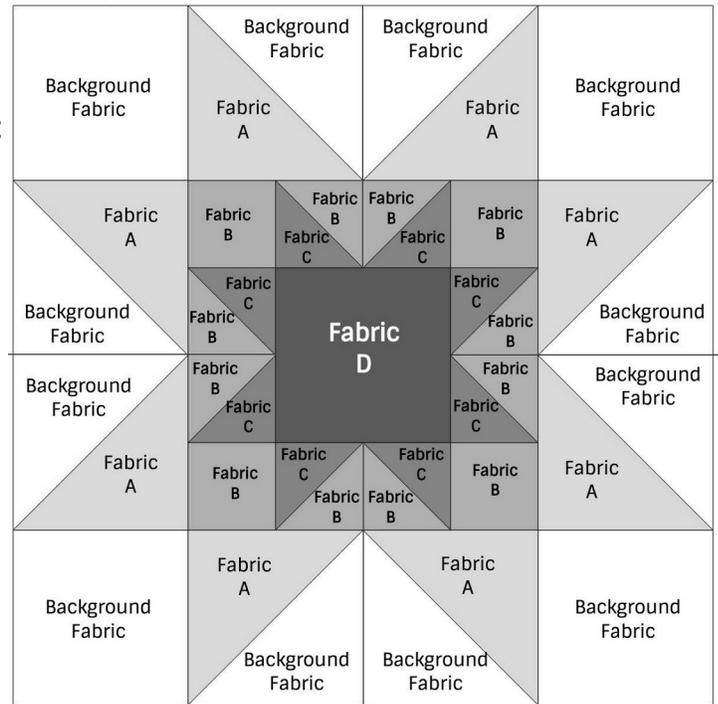

- 4 squares cut $2\frac{3}{4}$ inches by $2\frac{3}{4}$ inches
- 4 squares cut $3\frac{1}{2}$ inches by $3\frac{1}{2}$ inches.

Fabric C:

- 4 squares cut $3\frac{1}{2}$ inches by $3\frac{1}{2}$ inches.

Fabric D:

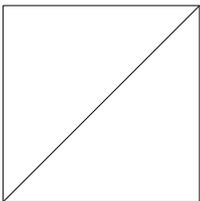

- 1 square cut 5 inches by 5 inches

Block Assembly:

You will be making two different sized of half square triangles.

Pair up the $5\frac{3}{4}$ inch squares (background fabric and fabric A) and the $3\frac{1}{2}$ inch squares (fabric B and fabric C). You will have 4 pairs of each.

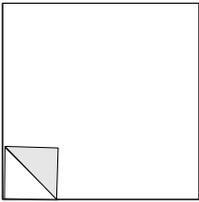

Start with the larger squares. Take one of the pairs and draw a diagonal line on the back (wrong) side of the lighter fabric. This will be your sewing guide.

Use a ¼ inch seam allowance

Fabric requirements listed are generous • Arrows indicate pressing direction

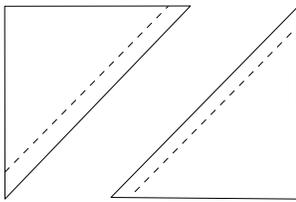

Cutting instructions are for all of the blocks needed for the month

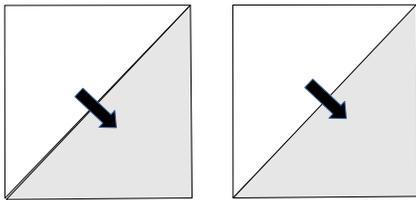

Line up each pair of squares with front (right) sides facing each other.

Using a ¼ inch seam allowance, sew along both sides of the drawn diagonal line.

Cut down the center, along the drawn line. You will end up with two blocks that need to be pressed open.

Trim them down to 5 inches square. Repeat with the other pairs of the larger squares of fabric. You will end up with 8 half square triangles.

Repeat the process with the smaller squares, matching up the 3 ½ inch squares of fabric B and fabric C. The smaller half square triangles should be trimmed down to 2 ¾ inches square.

Lay out your blocks.

First, sew the center section together.

Next, sew the center outside half square triangles, that are on the left and right of the center star, together. Add then to the left and right side of the center section.

Sew together the top and bottom row.

Lastly, sew the three rows together. The block should measure 18 ½ inches.
