

Super Easy Quilt Made with One 10” Precut Pack & a Few Yards of Fabric

Pattern Information – Read all instructions carefully before beginning

- Finished size is approximately 72” x 72”
- ¼ inch seam allowance used

Fabric Needed

- Focal Fabric - One pack of 10” precuts (or 32 10” squares of fabric)
- Background Fabric – 32 10” squares – about 2 ½” to 3 yards of fabric
- 5 yards backing fabric
- Batting and binding

Half Square Triangle Quilt Block Assembly

This quilt is made up of 64 half square triangles.

Pair up the 10” squares as follows:

- 1 focal fabric square with 1 background fabric square – (32 pairs in total)

Create with Claudia

Next, make the half square triangles.

On each of the pairs of squares, draw a diagonal line on the back (wrong) side of the lighter fabric. This will be your sewing guide.

Line up each pair of squares with front (right) sides facing each other.

Using a $\frac{1}{4}$ inch seam allowance (be as accurate as possible as there is not a lot of trimming needed and if you make the seam larger than a $\frac{1}{4}$ " , the block might not be quite large enough). Sew along both sides of the drawn diagonal line.

Cut down the center, along the drawn line. You will end up with two blocks that need to be pressed open. Press to the darker fabric.

Trim them down to $9\frac{1}{2}$ inches square if needed. Repeat with the other pairs. You will end up with 64 half square triangles.

Quilt Top Assembly

Lay out the half square triangles as shown (or in a different layout if preferred)

Sew the individual rows together first. Then sew the completed rows together.

Tip: It's easy to rotate one of the half square triangles when sewing. Stay organized by labeling your rows and making sure that you double check often while sewing the blocks together.

Finishing the Quilt

1. Lay your backing fabric on a long surface, with wrong side facing up.
2. Next, lay your batting on top of the backing.
3. Lastly, lay your quilt top on top with the right side facing up.
4. Baste the layers together using your preferred basting method.
5. Quilt as desired.
6. Bind using your preferred method. I use 2.5" strips when I bind

Happy Quilting!
